

FACILITY DEFINITIONS AND RENEWAL FORM LINKS

Manufacturer:

A person or entity, except a pharmacy, who prepares, derives, produces, researches, test, labels, or packages any drug medicine, chemical, or poison.

Private Label Distributor:

A firm that does not participate in the manufacture or processing of a drug, but instead markets and distributes under its own trade name, and labels a drug product made by someone else. A private label distributor is responsible for the products it introduces into interstate commerce and for compliance with federal Food, Drug, and Cosmetic Act requirements and Current Good Manufacturing Practices regulations.
