

680-X-2-.14 The Role of Technicians in Pharmacies in Alabama

10. (a) All technicians receiving their initial registration on or after January 1, 2020, shall complete a Board-approved training program within the first six months after their registration and submit evidence of completion to the board within 10 days of completion. The technician and the employing pharmacy shall keep documentation of this training for a period of two years from the completion of the training. The passage of a Board recognized pharmacy technician certification examination shall be accepted as a training program. The training program shall be the responsibility of the technician and the pharmacy employing the technician. The Board of Pharmacy may issue a fine of up to one thousand (\$1,000) to the pharmacy and revocation of the registration of a technician for violation of this rule.
